**ORDER**

This matter is before the court on the parties' joint status report and motion for briefing schedule [DE-27], filed pursuant to the court's October 17, 2024 order [DE-26]. The parties provide that they have reached a settlement in principle and request forty-five (45) days to prepare settlement paperwork and move for preliminary approval of their class-wide settlement. *See* [DE-27] at 1.

For good cause shown for the reasons stated in the motion, the court **ALLOWS** the request of the parties, and **ORDERS** that this action and all deadlines are stayed in order to allow the parties the requested time to prepare the appropriate settlement paperwork and file a motion for preliminary approval of their class-wide settlement. No later than **January 16, 2025**, the parties are **DIRECTED** to file either (i) their motion for preliminary approval of their class-wide settlement, or (ii) a joint report advising the court of the status of the settlement and the parties' position(s) regarding further scheduling in this matter.

SO ORDERED, this 3rd day of December, 2024.
